* Codes for question 21: Relationship to head of household:

Probe for additional household members. Probe especially for any infants or small children not listed, and others who may not be members of the family (such as servants, friends) but who usually live in the household. Insert names of additional members in the household list and complete form accordingly.

Every pregnant women and every non- pregnant woman 15-49 years and child < 5 years on the household roster should be recruited for participation into the UNNS 2017. For each women and child < 5 years, "open" an individual questionnaire: Use the line number on the household roster as the individual's number.
